Pray for Healing of Our Nation's Divisions

Blessed is the nation whose God is the Lord. . .

Psalm 32:12

Reflections

We are a blessed nation. There has never been a nation like ours, period. That's because we were founded on biblically based principles by men who feared God. In fact, there has been some conversation about several of those founders who were not Christians. If we do our research we will find that those few were better versed in biblical principles than many today who lead churches and denominations. If we believers are not careful, we will fall for the idea that the problems our country has are political. They may fall into the political arena, but they are spiritual in every aspect. They are fostered in a political party that has taken God out of everything they do. To be truthful, both

Challenge

Pray for our nation and for wisdom for the leaders who are truly committed to this country and us, or do you really care?

For Discussion

Which candidates really have a Christian

major parties can claim responsibility because of the way they have ignorantly stepped back from God and His Word. And we have let our spiritual leaders take us away from the Truth in preaching and teaching. You and I need to get into the Word and pray. We need to find out what God's will is and then follow it, and we need to remind our leadership that being involved in what is happening in our nation is the will of God. His Word tells us how He wants us to conduct ourselves. Our leaders need to depend on His wisdom to lead, and not their own. God has already provided answers to our problems. We as believers need to commit to go to the polls and vote Christian values so we can continue to live in a healed nation.

Prayer

Father, we are Your people called by Your name. Thank you for hearing our prayers and moving by your Spirit in our land. There are earthquakes, floods, natural disasters and violence occurring. Men's hearts are failing them because of fear. Lord, Your Son, Jesus, spoke of discerning signs of the times. With your Holy Spirit as our Helper, we are watching and praying for those signs. We desire to humble ourselves before You, asking that a spirit of humility be released in us.

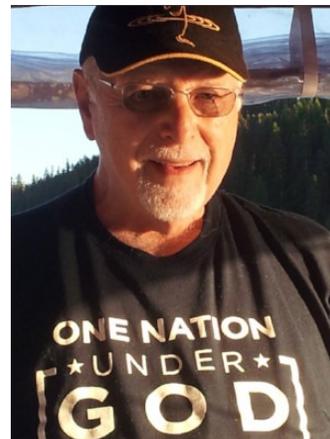

Search us O God, and know our hearts; try us, and know our thoughts today. See if there be any wicked way in us, and lead us in the way of everlasting.

Thank you for forgiving our sins of judging incorrectly, complaining about and criticizing our president and leaders who truly have our best interests in their hearts.

Touch our lips with coals from Your altar so we will pray prayers that avail much for all women and men in America. Lord, we desire to release rivers of living water for the healing of our nation. In Jesus' name, Amen.

World View for our future?

Do you need to get back into the Word on a regular basis, or will you let someone else tell you what scripture says?
